

Challenge & Differentiation Toolkit

Do you want a resource which will help you differentiate to maximize challenge for all learners?

This toolkit will help you:

- Improve challenge for all learners
- Accelerate progress in lessons
- Facilitate professional learning to improve this vital aspect of classroom practice.

Six monthly updates for just
£150

Six monthly updates include;

- **Practical resources** for teachers to trial in their classroom
- **Think Piece's** written by experts in the field to stimulate discussion.
- **Short film clips** you can use in staff training sessions to inspire, challenge or explain ideas. This includes:
 - **pupil views**
 - **teacher interviews**
 - **lesson footage**
- **Teacher journals** describing how they are leading developments in differentiation and challenge
- **Teacher training resources** designed and used by teachers in school based professional learning sessions
- **Professional learning processes and tools** to support teacher enquiry and/or reflection on practice
- **Tools to measure the impact** of your work

"Drawing on excellent subject knowledge, teachers plan astutely and set challenging tasks, based on systematic, accurate assessment of pupils' prior skills, knowledge and understanding. They use well judged and often imaginative teaching strategies which, together with sharply focused and timely support and intervention, match individual needs accurately."

(Outstanding Quality of Teaching Grade Descriptor, Ofsted Evaluation Schedule)
